# VINCE & DUNCAN'S BEFRIENDING STORY

**Vince and Duncan's story is one of companionship and the power of connection. Each week, Vince, his devoted befriender, crafted engaging general knowledge quizzes to keep Duncan's mind active and spirits high.**

Their bond transcended the typical volunteer-client relationship, evolving into a friendship that brought joy and stimulation to Duncan's life.

Tragically, circumstances changed when Duncan was admitted to the hospital. Undeterred by the shift in setting, Vince decided to bring the weekly quiz to Duncan, eager to maintain their cherished routine. However, upon Vince's arrival, he received the heartbreaking news that Duncan had passed away.

In honor of Duncan's memory and the friendship that brought light to his days, TEAM QUIZ encourages supporters to host their own quizzes.

By hosting your own quiz, you pay homage to Duncan's legacy, in essence, completing the quiz that Vince had lovingly prepared for him.

As well as this, you're also supporting our Befriending service, meaning more people like Vince can change the lives of people like Duncan.

# TOP TIPS FOR YOUR QUIZ

- Your quiz can be as big or small as you like. It could be two small teams of friends at home, or a village hall full of people. As well as Village Halls, check out other local venues that may be happy for you to host a quiz, such as pubs and community centres. Or if you'd rather, host your quiz virtually on Zoom or Microsoft Teams.
- Download and print our TEAM QUIZ template posters, and display at your workplace and community spaces, or share our social media graphic with friends and family on Facebook to let people know about your quiz.
- You don't need to rely only on the donations from your quiz teams for your final fundraising total. Increase your donations by hosting a raffle or tombola.
- If you're selling refreshments at your quiz, be sure to label for allergens.
- If you're hosting your quiz at an external venue, like a village hall, check what licenses are required. For example, selling alcohol and playing music both require a license.
- Run through your whole quiz the day before your event, take your time when reading questions, and remember to repeat questions before moving onto the next.
- Most importantly, let us know about your quiz! We can answer any questions you may have, and also support you in arranging and publicising your quiz. Please email [fundraising@ageuklsl.org.uk](mailto:fundraising@ageuklsl.org.uk) or call 03455 564 144 and ask for the Fundraising team.
